

Exploration Activity: Year 8

STAND UP IF...

Approx. Time Required

10 minutes.

Instructions

Print out this page and ask the pupils to stand up if...

- ★ **You have ever seen an advertisement on the television for alcohol?**
- ★ **You have ever seen alcohol on a television programme?**
(Soaps such as Hollyoaks, EastEnders etc.)
- ★ **You have ever seen an adult have an alcoholic drink?**
- ★ **You have heard about a person getting themselves into a risky situation when drunk?**
(Fighting, getting injured, talking to strangers)
- ★ **You have seen alcohol in a shop?**
- ★ **You know someone your age who has had an alcoholic drink?**
(Please don't name names)

Objective

The majority of us, even if we haven't drunk alcohol, will still have been exposed to it as early as childhood. This shows that alcohol and alcohol advertising can be very influential upon what we think about alcohol. It also shows that it plays a big role in our society especially regarding how people socialise; but just because people use it for socialising, doesn't mean that it is safe.
